O Lord

The Winds, The Trees belong to you O Lord,
Unimaginable is this, how is it Created O God....
The Feel, the Touch believes you are here,
Heart is filled, and we have lost our fear....
The sound, the rocks behave your truthiness,
Unbelievable is this, how you created this
 oneness....
The path the way makes us you are near,
Eyes don't blink, you made us so dear...."
The rays', **The Sun** brings us your love and
 thought's,
Unforgettable is this, how this life in life
 brought...."

The Sun

One day, I asked the sun,
how much kind and humble are you...
Loving sun replied, everyone is like me,
just find son(**human**) in you, found by few...
Caring sun answered loving and helping is
my aim,
Like humans I don't need any fame.....
Let everyone live a happy life easy and slow,
life may bring any twists, you shall see one day a
colourful rainbow....

Human and an Ant

Human one of the wonders on planet with brain,
Ant small and simple does not give any pain...
Ant struggles and finds every way to live life,
Humans should bring love and throw every knife...
Ant travels from one place say **India** to Rome,
Ant finds every way from work to home...
Ants says and stays together and united,
Humans stop the wars or we shall become
 limited....
Universe with humans and ants stay together one,
World with rich and poor shall care and love
 everyone.....

We Indians

We people of our country,
Every thought in world makes us know,
Every great work makes India grow,

Story of a Warrior... Great Shivaji Maharaj

Every day lived, by people of the kingdom,
Lost their belief in God, lost their freedom,
Every king came, filled pockets like hungry ruler,
Happiness was lost, every person was made a
beggar.....,

Every day lived, lost their daughters and wives,
Lost trust in rulers, kingdom feared the knives,
Temples and Hearts were broken and killed,
Every River had skulls and blood was filled....,

One day came, a boy named Shivajiraje was born,
Prayers to Bhavanimata thoughts of happy
kingdom form,
Birth by parents Jijaaisaheb and Shahajiraje persons
of poorer,

Thought's raje gave made every heart
dearer.....,

Every mavla's trusted Shivajiraje for
creating Swarajya the Gods kingdom,

Tanaji, Prataprao, Bajiprabhu, Jadhav, Deshmukh,
Kashid, Shinde came together for peoples
freedom.....,

Forts, Durgs and Khinds fought together with
great thoughts,
Every Mavla gave blood and victory was brought.....
Tukaram, Ramdas and varkaris singed happiness
song,
Deccan, Kokan, Maharashtra wrote Rajas history
along.....
Every enemy saluted Shivajis sword and word a
happy kingdom blossom,
Chhatrapati Shivaji Maharaja throne ceremony
with each mavalas(soldiers) trust was
awesome.....

Every Heart says Jay Bhavani, Jay Shivaji with love
and heart filled,
Everyone shall live good life listening to
rajas history kneeled...

Our Parents

Mother and Father an unimaginable truth given to
us by god,
Care and happiness that they bring on earth is
more than any thought...
May a **baby** be a girl or boy,
Every parent shall love more than any toy....
Let every human become a parent of love and
peace,
Height any may reach the kid, parents will always
be parents, you shall always give them a kiss....

Dear Baby

On this land you are born and you are new,
We are happy and happiness we shall give....
Care and love is always in our heart,
My Dear Sweet Baby you are a wonder and a
God's art....

Dear, Everyday you grow up learn good and new,
On this Earth let's make a new world, found
by few...

Dear, we family are there with you always for your
future,
Together we shall make good and God's nature...

Grow Great

Great is message shouted during birth to grow,
New thoughts come to mind and you will flow,
Believe in you is the key to be good and great,
Find your own path in the group of herds,
Trust the truth and God shall help you,
The Sun shall show you the ray of hope,
Great is Nature Great shall you become,
With good thoughts you shall be someone.....

Life full of journey, **Smile at every path**
and you end your journey full of Life.

God I know the wisdom you have shown to many,
Problems and struggles may come any....
Life is full of Love and care,
Message of yours is just and just dare....
Every path will be easy and clear,
Have faith in you and have no fear....
God thank you, for the way you give,
God thank you, on your way I and We Believe.....

Sun...Gods Messenger

Dear Sun,
Gods Messenger makes everyone's fun...

Very Early we have to wake,
To make food and daily cake..
Trees and birds make a tweet sound,
Nature tell us, that God is always around....

Happy you are, happy you make,
Each night gone is daily fake...
We pray you with our heart O Sun,
With your rays, every heart be one and one.....

O Dear Sun,
God Messenger daily makes everyone run....

Nature's song

Hey Birds and Trees sing a song,

Nature sings songs of near,
Songs that ignores the past and the fear...
Sing a song with the wind,
Song sung the truth everyone shall find...

Hey Birds and Trees sing a song,

Let the God, hear you, Let the Earth, know you,
Let the Sun, clear the rust,
Let the winds, clear the dust,

Hey Birds and Trees sing a song.

Wind... thoughts

Wind every thought you bring,
Wind every person in this world always sing....
Wind every person you join,
Wind this thought is more than any coin,
Wind every person path you show,
Wind this thought is more wherever you go,
Wind every person you change,
Wind this thought is more than any range,
Wind wherver you go make a happy story,
Wind this thought shall make a new glory.....
Wind every thought you bring,
Wind every person in this world always sing....

Answer to every question is solved
whenever you never quit the question.

Farm, Nature and Me...

Sitting near Leaves of trees in a farm...[1]
I wonder never the wind blows them,
The Guts do they get,
Any situation may come, they always remain Cool
and Calm....[2]

Sitting near Roots of Trees in a farm..[3]
I wonder never the soil sinks it,
The Strength do they get,
Any situation may come, none can harm...[4]

Sitting in a farm..[5]

Lord...is One

Lord I see you, with my Heart,
Why the World not able to see you?
Give a thought, so everyone will be yours,
A thought to **think** that you are in everyone's
hearts.....

Let the world forget the fear, forget the false,
Let the people forget the selfishness and hatred,
O Lord give a Thought where the rich, the poor,
are one
A thought where you are we, we are everyone....
Lord I see you, let each heart feel you to be one and
only one.....

Thinker Today

People of today need to think,
World to make a good place to live,

Good and bad are two firms,
Good is what everyone wants,
Bad removed and be deleted,

Rich and poor are just terms,
Rich has more money,
Poor's life is like a honey,

People of today need to think,

Win or lose are just paths,
Win leads to a new way,
Loosing says again you need to play,

Smile or cry you shall decide,
Smile at every path and everything is easy,
Crying shall make a person of you who is lazy...

Front or back is what you walk,
Front makes you lead,
Back tells you are in some need,

People of today need to think,
World to make a good place to live,

Never look back

On this cool and calm day,
walking the paths on every track,
In this life, full of new thoughts,
walk new way, never do you look back....
I see a squirrel, jumping tree to trees,
I see birds, adding new voice every day,
Lets learn the nature, lets love every heart,
Lets fight any hurdle, coming anyway.....
On this cool and calm day,
Never do you look back, I humbly say.....

A Friend is like an Island in a sea,
when you find the true Island you
become the best sailor in the sea.

Life and its Directions

Life brings us various ways and we have to decide which path I should take; we direct ourselves with various thoughts and ideas and at the end have to settle down. You should try and think for future and believe in yourselves as it said if you win you lead, and if you fail you create a path for others.....

Common Man: a true teacher

On a road I walk,
In heat and rain I travel,
I am a man everyone know in common,
I stay in a house of sand and stone,
My heart says when my family will be rich and
happy,
I say every day when I wake up 'Come on Man'
let's fight the day and make some money,
My Family and Friends are more important than
honey,
People say and laugh at my work and clothes,
But I am a true teacher, who knows how to solve
any question,
I am a 'Man who's always ON' to take a right
decision,
On a road I walk,
The world will think of me when I Talk.....

Teacher: a way to trust

Teacher is a guru who thinks good of you...
Mother, Father and a Teacher is where you trust,
Your questions are answered and you are not
turned to rust..
Become a person in few is what your guru feels,
To every answer of you is what guru deals....
Trust your sudguru (you inner soul) is what the
guru says,
Don't waste your life in your coming days...
You are a soul to make a new social world of zero,
Trust your soul and you will become more than a
hero....
Trust lies to a person you believe,

Politics: a social flame

Do you like politics is what everyone ask?
Answer to it is a difficult task...
Give and take is politics what every say,
Media fights for news every night and day..
Social work to do is what to know,
Seed for every hearts future you should sow..
Corrupt person is not whom we should blame,
Vote a right person and ignite a nation building
flame...
Answer is now you should give,
You are the person to get elected found by few..

Agriculture: seeds of hungry

Agriculture is seen as a work of poor,
Farmer fights for market door to door...
Work one day not in garden but in a farm,
You will understand how much a farmer is cool
and calm..
Fights with heat, rains and floods,
When you eat think of his life struggle wounds
and bloods...
Eat healthy and not for taste,
Food is what never you should waste..
Farmers is one who invents food and provide us
to eat,
Let's help poor don't throw away food but put at
their feet...
You will die hungry throwing food and the fork,
Let's salute the farmer for his **nation's** work.....

Success is achieved when you
are better than yesterday. Trying
for the **Best within you.**

Military: service to nation

Nation to power is what military about,
Good against bad is what war is fought,
Army, Navy and Air force is what military is,
Night to day bring every human please,
War is not the only solution,
Save world from evil bravely and safely is the
equation,
Human against human is not right,
Save truth and love and rise a new day with
sunrise and happiness all over the land from
night to light.....

Tourism: Pack your Bag's

Pack your bags and travel you think,
Holiday you want, search for something..
Sea, jungle or trek in your mind,
Family, Friends or new ones you find,
Temples and Gods you want to meet,
In your work never do you cheat,
Fun and learn you do on you tour pack,
Think of happy nation when you return back,

Service: to mankind

Help human, help needy, help for no reply,
Work for good and heaven you apply,
Care and serve good is what is your voice,
Mother takes care of her child is her choice,
